

Request for Development Fee Estimate

The amount of development and building permit fees is based upon several criteria. In order to provide a reliable estimate of fees, it is important that we be provided with complete and accurate information. The fees that will be quoted to you are an estimate only. The final cost for fees will be determined once all plans have been approved for a building permit.

Please provide the following information:

Name, mailing address, e-mail address, and phone number of person requesting this information.

Parcel address and Assessor's Parcel Number

Parcel area (in acres). _____

Project description. Residential or Commercial? Number of residential units or commercial buildings? Will individual units have separate utility services?

Residential (list each unit type separately)		Commercial	
No. of bedrooms		Total Square Footage	
Square Footage		Conditioned Square Footage	
Valuation		Valuation	
Garage Square Footage		Occupancy Type	
Fair Market Value of Land/AC			

Construction valuation of any structure(s) not listed above. List valuations for more than one structure separately.

List total numbers and types of plumbing fixtures. List water closets, floor drains, floor sinks, kitchen sinks, etc. Is this a restaurant? Fast food? 24 Hour? Is there a car wash? If so, what percent of water is recycled? Laundromat?
