Bicycle and Pedestrian Master Plan

We Want Your Input!

The City of Cotati is kicking off it's Bicycle and Pedestrian Master Plan Update and we want your input to help guide improvements within the City!

>> Phase I: Project Launch and Information Gathering (September 2021 - February 2022)

Determine what people need to bike and walk safely around the community!

>> Phase II: Drafting the Plan (February 2022 - July 2022)

Draft recommendations for new projects to ensure that Cotati's bicycle network is comfortable for all types of bicyclists.

>> Phase III: Finalizing the Plan (July 2022 - October 2022)

Gather public input on the draft Plan and present final Plan to Cotati City Council for consideration and approval.
